

# Torvalla Health Centre is Closed from the 1<sup>st</sup> of June, 2018

## YOU CHOOSE YOUR HEALTH CENTRE

You can always choose which health centre you want to belong to. Choose by logging into [1177.se](http://1177.se), using the "Välj/ändra hälsoval" ("Choose/change health choices") service, or by filling out the form available at all health centres or at [regionjh.se/halsoval](http://regionjh.se/halsoval). You'll send or give the form to the health centre you want to belong to.

Those who belonged to Torvalla health centre and haven't chosen a new health centre now belong to Brunflo health centre.

## THE FAMILY CENTRE AND THE PSYCHOSOCIAL UNIT REMAIN

The family centre in Torvalla remains. This means that you can keep attending paediatric health care (BVC) and the midwife/maternity health care (MVC) in Torvalla, and that collaboration with Östersund Municipality as per the family centre concept remains. The psychosocial unit will also remain in Torvalla.
